

gevin shaw résumé

I have 15+ years of experience in print and online graphics at magazines, international corporations, and small companies, creating print layout and Web site designs, editorial graphics, presentations, and the display of data and information. My experience includes photo manipulation, pre-press production, pre-flighting, and art direction.

Skills

Print and Web site design, editorial graphics, the display of data and information, and presentations.

InDesign, Quark, Pages | Photoshop, Illustrator | Microsoft Office | Mac and PC platforms

Dreamweaver, Flash, CSS, HTML | Pre-press production, pre-flight | Data and information display

Freelance Graphics

1999–present

Web sites and email newsletter, print ads and brochures, presentations, and graphs and charts for clients including Nice Advertising, Flying Colors, Amazon Advertising, URS Corporation, Towill Inc., Oracle, Ideum.
